Affected gates and lines

- Jupiter 7.5 The general — September 17 through September 21. Lights natal 7–31 The Alpha, a Design of leadership for good or bad, from Personality Pluto 7.3 and Design Saturn 7.6. A directing sentence is available. It waits the wave and one inform.
- Saturn 21.4 Strategy — September 17 through September 20. Completes hanging Design Sun 45.6 as 21–45 The Money Line, a Design of a materialist. Control of one material detail. Not control of the people around it.
- Moon 5.2 Inner peace — today only (Thursday, September 17). Completes hanging Personality Uranus 15.3 as 5–15 Rhythm, a Design of being in the flow. The day's pace is already fixed. Premature action is the miss.

The day

Carolyn, you remain a Manifestor with Emotional authority, 4/6 Profile, and Split Definition on the Right Angle Cross of Rulership 47/22 | 45/26. Abstraction stays Head and Ajna through electromagnetic 64–47 Abstraction. Leadership and feeling stays G, Throat, and Solar Plexus through natal 7–31 The Alpha and electromagnetic 12–22 Openness. Those two rooms take turns. Jupiter 7.5 lights 7–31 from the role end. Saturn 21.4 completes 21–45 The Money Line on hanging 45. That adds Ego to Leadership and feeling. It does not join Abstraction. Moon 5.2 completes 5–15 Rhythm on hanging 15 and adds Sacral pace to the G for this snapshot only. Still no join.

Eat and work at the usual clock. One material item — a bill, a payment, a supply — can be handled if the wave has moved. Inform the one person who is affected. Stop. The 7.5 sentence stays unsent until the wave agrees and the inform is done. The grab is initiating three things because 7–31, 21–45, and 5–15 all arrived on the same Thursday. Wait the wave. One inform. Stop. Limited contact is the 4th-line method. Abstraction waits its turn.

Friday, September 18, 2026

Affected gates and lines

- Jupiter 7.5 The general — September 17 through September 21. Still lights natal 7–31 The Alpha.
- Saturn 21.4 Strategy — September 17 through September 20. Still 21–45 The Money Line on hanging 45.6.

The day

Moon 5.2 has left. 5–15 is gone. What remains is lit 7–31 and complete 21–45. Leadership and feeling is loud from role and from material control. Abstraction is not joined. A money or household detail can be named in one sentence. Write it. Wait the wave. Inform the person who shares that detail. Send or leave it. Do not add a mental theory from 64–47 to justify the send. The grab is using Strategy on 21.4 as permission to manage other people's pace. Wait the wave. One inform. Stop. Limited contact keeps The Money Line inside one item.

Saturday, September 19, 2026

Affected gates and lines

- Jupiter 7.5 The general — September 17 through September 21. Still lights natal 7–31.
- Saturn 21.4 Strategy — September 17 through September 20. Still 21–45 The Money Line. Last full weekend day of 21.4 before Saturn moves to 21.3 on Monday.

The day

No new completion. Saturday is the same two holds used slowly. One directing sentence or one material item, not both stacked. If the wave is not settled, both stay on paper. The 6th-line role can watch which of this week's informs actually landed. Filling Saturday because 7–31 is lit is the grab. Wait the wave. One inform if a person is affected. Stop. The rooms take turns.

Sunday, September 20, 2026

Affected gates and lines

- Jupiter 7.5 The general — September 17 through September 21. Still lights natal 7–31.
- Saturn 21.4 Strategy — last snapshot of this line (September 17 through September 20). Still 21–45 The Money Line. Tomorrow Saturn moves to 21.3 Powerlessness.

The day

Last day of 21.4 Strategy on The Money Line. Finish the one material item that already has a wave, or leave it. Do not open a second control project to use the line before it changes. 7–31 is still lit. Inform stays one person. Abstraction is still separate. The grab is tightening control on Sunday so nothing is lost overnight. Wait the wave. One inform. Stop.

Monday, September 21, 2026

Affected gates and lines

- Sun 46.1 Being discovered — this line today; Sun stays in 46 through September 26. Completes hanging Personality Saturn 29.6, already occupied by North Node 29.6, as 29–46 Discovery, a Design of succeeding where others fail. Dedication in obscurity. The work does not need to be displayed.
- Saturn 21.3 Powerlessness — September 21 through September 25 in this window. Continues 21–45 The Money Line on hanging 45.6. Will that is not on its own path breaks. Stay with the one material path already chosen.

- Jupiter 7.5 The general — last snapshot of this line (September 17 through September 21). Still lights natal 7–31. Tomorrow Jupiter moves to 7.6.

The day

Sun enters 46. 29–46 Discovery completes on natal 29.6. Leadership and feeling now has G-to-Sacral commitment on top of lit 7–31 and complete 21–45. Abstraction is still not joined. 46.1 Being discovered says do the Monday task without a status note. Inform only the person who is actually affected. Saturn 21.3 Powerlessness on The Money Line drops the fight with a superior force. Keep the one material path. Do not spend will proving control. 7.5 is in its last day; do not issue Tuesday's directions today. The grab is three yeses from Discovery, The Alpha, and The Money Line treated as one initiation. Wait the wave. One inform. Stop. Limited contact keeps Being discovered from becoming a performance.

Affected gates and lines

- Mars 56.1 Quality — this line today; Mars stays in 56 through the rest of the window. Completes hanging Design Jupiter 11.2 as 11–56 Curiosity, the design of the searcher. One practical idea. This channel joins Abstraction to Leadership and feeling for the rest of the window.
- Sun 46.2 The prima donna — this line today. Continues 29–46 Discovery on hanging 29.6. Determination to succeed can offend. The deed still does not require display.
- Jupiter 7.6 The administrator — September 22 through September 26. Continues lighting natal 7–31. Share one responsibility. Do not collect power through the sentence.
- Saturn 21.3 Powerlessness — still 21–45 The Money Line.

The day

11–56 Curiosity completes. Ajna in Abstraction can reach the Throat in Leadership and feeling without another person. That join is real from today through Friday. It is not permission to dump every mental file through the mouth. One idea that has value, after the wave, with one inform. 29–46 continues. 7–31 is now 7.6 The administrator: one responsibility named, not a campaign. 21–45 continues. The grab is using the new hallway to send a theory, a commitment, and a money item in the same note. Wait the wave. One idea or one inform, not three. Stop. Limited contact still applies. The join does not require a room of people.

Wednesday, September 23, 2026

Affected gates and lines

- Mars 56.2 Linkage — September 23 through September 24. Continues 11–56 Curiosity. The join holds. An idea may take time. It does not have to be delivered today.
- Sun 46.3 Projection — this line today. Continues 29–46 Discovery. Stay with the pattern that already works. Do not treat a future result as present.
- Jupiter 7.6 The administrator — still lights natal 7–31.
- Saturn 21.3 Powerlessness — still 21–45 The Money Line.

The day

The join is still in. 56.2 Linkage says the idea can wait for recognition. Leave it on paper if the wave is not settled. 46.3 Projection on 29–46 will calendar next week as if it is done. Do only what is in the room. 7–31 and 21–45 stay on Leadership and feeling. Inform one person about one present item. The grab is forcing linkage — sending the idea again because no one answered — stacked on a projected success. Wait the wave. One inform. Stop. Change rooms when Abstraction has spoken and Leadership has not yet moved.

Thursday, September 24, 2026

Affected gates and lines

- Mars 56.2 Linkage — last snapshot of this line (September 23 through September 24). Still 11–56 Curiosity joining the rooms. Tomorrow Mars moves to 56.3.
- Sun 46.4 Impact — today only on this line. Continues 29–46 Discovery on hanging 29.6. Right place, right time can show. It does not require a new initiation.
- Jupiter 7.6 The administrator — still lights natal 7–31.
- Saturn 21.3 Powerlessness — still 21–45 The Money Line.

The day

Sun 46.4 Impact on 29–46 can look like proof that more should be started. Take the result as information. Inform the one person who shares it. Do not open a second project. 11–56 is still joined on 56.2; keep the idea off the impact note. Two subjects in one inform is the grab. 21–45 and 7–31 stay in the same room and still wait the wave. Wait the wave. One inform. Stop. Limited contact keeps Impact from being performed.

Friday, September 25, 2026

Affected gates and lines

- Moon 22.5 Directness — today only (Friday, September 25). Lights natal electromagnetic 12–22 Openness, a Design of the social being, from Personality Earth 22.4. One direct social sentence. This is authority's feeling channel. Form can be dropped only after the wave.
- Mars 56.3 Alienation — September 25 onward in this window. Continues 11–56 Curiosity joining the rooms. The idea can stand without an audience.
- Sun 46.5 Pacing — this line today. Continues 29–46 Discovery. Stay with the rhythm that already brought a result.
- Jupiter 7.6 The administrator — still lights natal 7–31.
- Saturn 21.3 Powerlessness — still 21–45 The Money Line through this window.

The day

Moon 22.5 Directness lights EM 12–22 inside Leadership and feeling. Openness is on. One social sentence can be plain after the wave. Directness without the wave is the crude version of 22.5. 11–56 is still joining Abstraction to the Throat on 56.3 Alienation: keep the unused idea, or state it once as part of the one inform. 46.5 Pacing on

29–46 repeats the pattern that already worked. Do not stack Thursday's impact, Friday's Directness, and an unused idea into a closing speech. The grab is a blunt remark issued to end the week. Wait the wave. One inform. Stop. The rooms can talk through 11–56; they still take turns on everything else. The sky does not grant a new Cross.

Close

Carolyn remains a Manifestor with Emotional authority, 4/6 Profile, and Split Definition on the Right Angle Cross of Rulership 47/22 | 45/26. Abstraction is electromagnetic 64–47. Leadership and feeling is natal 7–31 The Alpha and electromagnetic 12–22 Openness. This window's natal-relevant overlays are Jupiter 7.5 The general then 7.6 The administrator lighting natal 7–31 throughout; Saturn 21.4 Strategy then 21.3 Powerlessness completing 21–45 The Money Line on hanging Design Sun 45.6 throughout; Moon 5.2 Inner peace completing 5–15 Rhythm on hanging 15 on September 17 only; Sun 46.1 through 46.5 completing 29–46 Discovery on hanging Personality Saturn 29.6 from September 21 through 25; Mars 56.1 through 56.3 completing 11–56 Curiosity on hanging 11 from September 22 through 25, which joins Abstraction to Leadership and feeling; and Moon 22.5 Directness lighting electromagnetic 12–22 on September 25. The sky does not grant a new Cross. Strategy and Authority run every day: wait the wave, one inform, stop. Limited contact is the correct use of this design.
