Affected gates and lines

- Moon 5.2 Inner peace — today only (Thursday, September 17). Exact Design Sun 5.2. Lights natal 5–15 Rhythm, a Design of being in the flow. The day's pace is the one already fixed. Premature action is the miss.
- Earth 36.3 Transition — September 17 only on this line; Earth stays in 36 through September 20. Lights natal 35–36 Transitoriness, a Design of a Jack of all Trades, from Personality Mercury 36.4. A cycle of change is ending. The new order is not built in one move.
- Uranus 20.6 Wisdom — July 26 through October 27. Completes hanging Design South Node 10.2 as 10–20 Awakening, a Design of commitment to higher principles. Speech that can be lived belongs. Speech that cannot wait.
- Jupiter 7.5 The general — September 17 through September 21. Completes hanging Design Mars 31.2 as 7–31 The Alpha, a Design of leadership for good or bad. A directing sentence is available. It is not a sacral yes and it is not the wave.

The day

Dennis, you remain a Manifesting Generator with Emotional authority, 6/2 Profile, and Single Definition on the Left Angle Cross of Migration 37/40 | 5/35. There is no split to join. Natal channels stay 37–40 Community, 35–36 Transitoriness, 12–22 Openness, 33–13 The Prodigal, and 5–15 Rhythm. Today Moon 5.2 Inner peace stands exact on Design Sun 5.2 and lights 5–15. Eat, walk, and work at the usual clock. Do not add a second pace because the day looks full. Earth 36.3 Transition lights 35–36 from the feeling-and-change side. One experience is completing. Do not drag the old version into the next task. Uranus 20.6 with hanging 10.2 completes 10–20 Awakening: one sentence that matches how you actually live. Jupiter 7.5 with hanging 31.2 completes 7–31 The Alpha: one clear direction, not a campaign. The grab is Manifesting Generator speed that skips the wave, or a leadership sentence that leaves the mouth before 37–40 has moved. Wait the wave on anything that touches people or a bargain. Sacral sound on the one present task. One inform. Stop. Limited contact fits 40, 12, and the 2nd line. Use it.

Affected gates and lines

- Earth 36.4 Espionage — today only on this line; Earth remains in 36 through September 20. Exact Personality Mercury 36.4. Lights natal 35–36 Transitoriness. Information gathered in private prepares the change. It is not a public briefing.
- Uranus 20.6 Wisdom — July 26 through October 27. Still 10–20 Awakening on hanging Design South Node 10.2.
- Jupiter 7.5 The general — September 17 through September 21. Still 7–31 The Alpha on hanging Design Mars 31.2.

The day

Moon 5.2 has left. Natal 5–15 is still defined and runs at ordinary volume. What is loud is Earth exact on Personality Mercury 36.4 Espionage on 35–36. Read the file. Note the one fact that matters for the next step. Do not turn the note into a speech. 10–20 still asks that whatever is said can be lived. 7–31 still offers a directing line. Write the direction. Wait the wave. If the sacral answers a single concrete act — a call placed, a page filed — do that act and inform whoever is affected. Stop. The grab is treating private information as a reason to move the whole group today. Single Definition already connects the graph. Another person is not required to make the day work. Limited contact keeps Espionage from becoming a performance.

Affected gates and lines

- Moon 58.4 Focusing — today only (Saturday, September 19). Completes hanging Personality Neptune 18.5 and Design Neptune 18.5 as 18–58 Judgment, a Design of insatiability. One correction that is worth the energy. Not every flaw.
- Earth 36.5 The underground — today only on this line; Earth remains in 36 through September 20. Lights natal 35–36 Transitoriness. Survive the change without advertising it.
- Uranus 20.6 Wisdom — July 26 through October 27. Still 10–20 Awakening.
- Jupiter 7.5 The general — September 17 through September 21. Still 7–31 The Alpha.

The day

Moon 58.4 Focusing completes 18–58 Judgment on both Neptune placements in 18.5. The open Root is defined for this snapshot. Correction energy is on. Pick one thing that is actually spoilt — a sentence, a number, a habit in the day's rhythm — and correct that one thing. Leave the rest. Earth 36.5 The underground on 35–36 says the change can continue without a report. 10–20 still limits speech to what can be applied. 7–31 still offers a role sentence; it waits behind the wave. The grab is fixing three items because 18–58 will never feel finished, or announcing a crisis that 36.5 is willing to handle quietly. Wait the wave. Sacral sound on the one correction. Inform if someone is affected by that correction. Stop. Limited contact keeps Judgment from testing every person in reach. There is no split to weld.

Affected gates and lines

- Earth 36.6 Justice — last snapshot of Earth in 36 (September 17 through September 20). Lights natal 35–36 Transitoriness. The crisis that rose from feeling can complete. Tomorrow Earth leaves 36.
- Moon 54.4 Enlightenment / endarkenment — today only (Sunday, September 20). Completes natal Design Jupiter 32.1 as 32–54 Transformation, a Design of being driven. Ambition fuel for one snapshot. One step on the existing path. Not a new career.
- Uranus 20.6 Wisdom — July 26 through October 27. Still 10–20 Awakening.
- Jupiter 7.5 The general — September 17 through September 21. Still 7–31 The Alpha. Last full day of this line before Jupiter moves to 7.6.

The day

Earth 36.6 Justice is the last day of the 35–36 lighting from the 36 side. Let the change that has been running since Thursday find its stop. Do not start a second crisis to keep 35–36 busy. Moon 54.4 on Design Jupiter 32.1 completes 32–54 Transformation for this snapshot only. Drive is up. Use it on the task already in motion — one application, one follow-through — not on a new plan. 10–20 and 7–31 continue. 18–58 has left with yesterday's Moon. The grab is Sunday ambition that ignores the wave, or a leadership sentence issued to make the 36.6 ending feel official. Wait the wave. Sacral sound on one existing step. One inform. Stop. Limited contact keeps 32–54 from turning drive into a public campaign. Single Definition does not need a bridge.

Affected gates and lines

- Uranus 20.6 Wisdom — July 26 through October 27. Still completes 10–20 Awakening on hanging Design South Node 10.2. Applied speech only.
- Jupiter 7.5 The general — last snapshot of this line (September 17 through September 21). Still 7–31 The Alpha on hanging Design Mars 31.2. Tomorrow Jupiter moves to 7.6.

The day

Earth has left 36. Natal 35–36 remains defined and returns to ordinary volume. 32–54 is gone with the Moon. What remains is the slow pair: 10–20 Awakening and 7–31 The Alpha on its last day of 7.5 The general. Monday is a clean pace day. Use natal 5–15. Do the usual first task at the usual time. Write one directing sentence if the wave is not at an extreme and the sacral answers a deed that matches it. Inform the one person who needs that sentence. Stop. The grab is inventing work to replace the 36 lighting that just ended, or issuing a general's order because Jupiter is about to change line. Wait the wave. One sound. One deed. Stop. Limited contact is the 6/2 method. There is no split.

Affected gates and lines

- Mars 56.1 Quality — this line today; Mars stays in 56 through the rest of this window. Completes hanging Personality South Node 11.5 as 11–56 Curiosity, the design of the searcher. One practical idea that has value. Not a string of stories.

- Jupiter 7.6 The administrator — September 22 through September 26. Continues 7–31 The Alpha on hanging Design Mars 31.2. Share responsibility in one sentence. Do not collect power through that sentence.
- Uranus 20.6 Wisdom — July 26 through October 27. Still 10–20 Awakening.

The day

Mars 56.1 Quality completes 11–56 Curiosity on hanging 11.5. An idea can be named. Name one that can be used — a time, a step, a fact. Leave the rest unsaid. Jupiter has moved to 7.6 The administrator on the same 7–31. The role today is apportioning one responsibility, not commanding the field. 10–20 still edits speech to what can be lived. 11–56 and 7–31 both want the mouth. Wait the wave first. If the sacral answers, speak one idea or one assignment, inform the person who needs it, stop. The grab is stimulating talk that keeps 11–56 open after the useful sentence is done, or an administrator line that becomes a power grab. Limited contact keeps Curiosity from needing an audience. Single Definition already runs as one graph.

Affected gates and lines

- Mars 56.2 Linkage — September 23 through September 24. Continues 11–56 Curiosity on hanging 11.5. An idea may take time to be recognized. It does not have to be delivered today.
- Jupiter 7.6 The administrator — September 22 through September 26. Still 7–31 The Alpha.
- Uranus 20.6 Wisdom — July 26 through October 27. Still 10–20 Awakening.

The day

Same three channels as Tuesday with a line change on 56. 56.2 Linkage says the idea can wait for recognition. Put it on paper. Do not chase a listener. 7–31 still offers one responsibility to name. 10–20 still requires that the name match a life you will actually live. Use natal 5–15 for the body's clock and natal 37–40 for any bargain with another person: those wait the wave. The grab is forcing linkage — sending the idea again because no one answered — or stacking an administrator sentence on top of an unfinished 11–56 draft. Wait the wave. Sacral sound on one present task. One inform if a person is affected. Stop. Limited contact gives 56.2 the time the line asks for.

Thursday, September 24, 2026

Affected gates and lines

- Moon 37.3 Evenhandedness — today only (Thursday, September 24). Lights natal 37–40 Community, a Design of being a part seeking a whole, from Personality Sun 37.6. Appropriate behaviour in the bond. Not a test of the borders.
- Mars 56.2 Linkage — last snapshot of this line (September 23 through September 24). Still 11–56 Curiosity. Tomorrow Mars moves to 56.3.
- Jupiter 7.6 The administrator — September 22 through September 26. Still 7–31 The Alpha.
- Uranus 20.6 Wisdom — July 26 through October 27. Still 10–20 Awakening.

The day

Moon 37.3 Evenhandedness lights natal 37–40 from the Personality Sun side. Community and the family bargain are louder. This is Emotional authority's home channel. The wave on a bond is the decision, not the first heat and not the first 7–31 sentence. One message about a shared matter can be written. It does not go out until the wave has moved and the sacral has answered the sending. 11–56 is still complete on 56.2; keep that idea off the community message. Two subjects in one note is the grab. 10–20 still requires that the note can be lived. Wait the wave. One sacral send. One inform. Stop. Limited contact keeps 37.3 from turning Evenhandedness into a survey of everyone in the field. There is no split. 37–40 does not need a second room.

Friday, September 25, 2026

Affected gates and lines

- Moon 22.5 Directness — today only (Friday, September 25). Lights natal 12–22 Openness, a Design of the social being, from Personality Venus 22.1. One direct social sentence. Form can be dropped if the wave and the sacral agree. Reputation is the cost if they do not.
- Mars 56.3 Alienation — September 25 onward in this window. Continues 11–56 Curiosity on hanging 11.5. The idea can stand without an audience.
- Jupiter 7.6 The administrator — September 22 through September 26. Still 7–31 The Alpha.
- Uranus 20.6 Wisdom — July 26 through October 27. Still 10–20 Awakening.

The day

Moon 22.5 Directness lights natal 12–22 from the feeling side. Openness is on. One social sentence can be plain. Wait the wave. 12–22 is Emotional. Directness without the wave becomes the crude version of 22.5. Mars 56.3 Alienation on 11–56 matches the 2nd line: the unused idea stays in the notebook, or it is stated once to someone who already asked. 7–31 and 10–20 still edit what leaves the mouth. Friday closes the window by using one channel at a time: the 12–22 sentence if the wave agrees, or the 5–15 task if it does not. Do not stack a community leftover from Thursday onto today's Directness. The grab is a blunt remark issued to end the week. Wait the wave. Sacral sound. One inform. Stop. Limited contact protects Openness and Curiosity from needing a room. The sky does not grant a new Cross.
