Affected gates and lines

- Mercury 30.6 Enforcement — July 25 through September 29. Completes hanging Personality Moon 30.1 as 30–41 Recognition, a Design of focused energy. One feeling about change tries to become a rule. That feeling is not Sacral authority.
- Pluto 41.2 Caution — August 14 through December 13. Root end of the same 30–41. The first draft of the feeling is not a decision.
- Venus 28.3 Adventurism — today only (Thursday, September 17). Lights natal electromagnetic 28–38 Struggle, a Design of stubbornness, from Design Sun 28.2. Instinct tests a risk that does not yet have facts.
- North Node 29.6 Confusion — July 25 through September 29. Completes hanging Design Mars 46.4 Impact as 29–46 Discovery, a Design of succeeding where others fail. The yes stays inside The Beat. Momentum can outrun awareness.

The day

Eike, 20–34 Charisma is not in today. The Beat and Curiosity take turns. What is in is slower weather: 30–41 Recognition on the open Solar Plexus and Root, 29–46 Discovery inside The Beat, and Venus 28.3 Adventurism on Struggle. None of those joins the three rooms. A letter or a list is already started. Read it once. Wait for a sacral sound on the next physical step — fold it, file it, or leave it. Do not send it to recover yesterday's drive. Name the 30.6 feeling in one line and leave the line. For the 28.3 risk — a new number to call, a new route, a new helper — collect one fact and stop. 29.6 will offer a second household yes while the first is unfinished. Keep the first. The grab is speech without a sacral answer, or a Struggle risk treated as a body-and-direction yes. Wait, one sound, one deed, stop. Limited contact keeps Adventurism from recruiting company. Joined today: nothing between rooms.

Affected gates and lines

- Moon 11.3 The realist — today only (Friday, September 18). Lights natal 11–56 Curiosity from Design Moon 11.4 The teacher. One idea can be stated. It does not have to be kept.

- Mercury 30.6 Enforcement — July 25 through September 29. Still 30–41 Recognition. The same feeling is still in the body.
- Pluto 41.2 Caution — August 14 through December 13. Still the Root end of 30–41. Do not spend the feeling for display.
- Venus 28.4 Holding on — September 18 through September 20. Continues natal 28–38 Struggle. Keep the fight the sacral still answers.
- North Node 29.6 Confusion — July 25 through September 29. Still 29–46 Discovery inside The Beat.

The day

Moon 11.3 The realist lights natal 11–56 from the idea side. Lighting Curiosity does not join it to The Beat or to Struggle. Write one short account, or say it once to the person who already asked. If no one asked, the page stays closed. The 2nd-line hermit does not need listeners to finish 11–56. Compare the 30.6 line with one sacral question: is there a step today. If yes, do that step. If no, the feeling stays a line. 28.4 Holding on keeps one item — a payment, a repair, a call — and puts the rest down. 29.6 still offers extra yeses inside The Beat; close one earlier yes rather than start a new one. The grab is a feeling leaving through the louder voice as if it were a finished idea. Wait, one sound, one close, one idea once, stop. Joined today: nothing between rooms. Limited contact keeps Friday's Curiosity from becoming a talk.

Affected gates and lines

- Mercury 30.6 Enforcement — July 25 through September 29. Still 30–41 Recognition. Familiar. Still not Sacral authority.
- Pluto 41.2 Caution — August 14 through December 13. Still the Root end of 30–41.
- Venus 28.4 Holding on — September 18 through September 20. Second day of the grip on natal 28–38.
- North Node 29.6 Confusion — July 25 through September 29. Still 29–46 inside The Beat.

The day

The Moon has left 11. Curiosity returns to ordinary natal volume. No new channel forms. Saturday is the same three holds used at a slower pace. Stand in front of one thing — a sink, a bill, a drawer. If the sacral answers, do that one thing and stop. If it is quiet on everything, change rooms and wait. Holding on is not permission to clear the whole house because the calendar is open. 29.6 will fill an empty Saturday with extra yeses. One accepted task is the day. Two is already the grab. 30–41 will offer a feeling as a reason to keep going. The feeling is not the yes. Wait, one sound, one deed, stop. Joined today: nothing between rooms. Limited contact and the 2nd line already fit a quiet house.

Sunday, September 20, 2026

Affected gates and lines

- Mercury 30.6 Enforcement — July 25 through September 29. Still 30–41 Recognition.
- Pluto 41.2 Caution — August 14 through December 13. Still the Root end of 30–41.

- Venus 28.4 Holding on — last snapshot of this line (September 18 through September 20). Tomorrow Venus moves to 28.5. Sort which fight is still worth the grip before the line changes.
- North Node 29.6 Confusion — July 25 through September 29. Still 29–46 inside The Beat.

The day

Same geometry as Saturday, with an edge: 28.4 Holding on ends on this snapshot. Lay the held items out. Stand with each long enough for a sacral sound. The one that answers stays. The quiet ones go back. Do not announce the sort. The 6th-line role only needs to see which item actually moved. 29.6 will offer a replacement yes for whatever went back. Leave the replacement. 30.6 will argue that a dropped item is duty. Read the old line. Do not rewrite it. Last-day Holding on that tightens on everything is the grab. Wait, sound keeps it, no sound returns it, one deed on what stayed, stop. Joined today: nothing between rooms. Limited contact keeps the sort off an audience before Venus changes tomorrow.

Affected gates and lines

- Sun 46.1 Being discovered — this line today; Sun stays in 46 through September 26. Lights the 46 end of 29–46 Discovery already completed by North Node 29.6 and hanging Design Mars 46.4. Dedication in obscurity. The work does not need to be shown to be the work.
- North Node 29.6 Confusion — July 25 through September 29. Still the 29 end of 29–46 inside The Beat.
- Venus 28.5 Treachery — September 21 through September 22. Continues natal 28–38 Struggle. Morning instinct and evening instinct can disagree. Check twice.
- Mercury 30.6 Enforcement — July 25 through September 29. Still 30–41 Recognition.
- Pluto 41.2 Caution — August 14 through December 13. Still the Root end of 30–41.

The day

The Sun enters hanging 46. 29–46 was already complete through the Node. Today The Beat is lit from the G as well. Body and direction get louder. 46.1 Being discovered says do the Monday task without a status note. Wash, file, walk, repair — the thing in front of you — then stop. Venus 28.5 Treachery on Struggle means the morning keep-or-drop on a fight gets a second sacral check after noon. A person or a plan that fit at 10:00 may not fit at 4:00. One fact at each check. Sun 46.1 plus Node 29.6 will stack yeses because the G is lit from two bodies. Keep the commitment that already has a sound. 30.6 still wants a rule; the rule waits. The grab is The Beat eating the whole day so Curiosity and Struggle never get a turn, or 28.5 rewriting the alliance between checks. Wait, one sound, one closed-door task, one evening check, stop. Joined today: nothing between rooms. Limited contact keeps Being discovered from becoming a performance and Treachery from testing whoever is nearby.

Affected gates and lines

- Moon 19.6 The recluse — today only (Tuesday, September 22). Completes hanging Design Jupiter 49.4 as 19–49 Synthesis, a Design of being sensitive. Need and support rise for one snapshot. 19.6 uses limited contact. It does not require exile.
- Sun 46.2 The prima donna — this line today; Sun remains in 46 through September 26. Continues 29–46 inside The Beat. Determination to succeed can offend. The deed still does not require display.
- Mars 56.1 Quality — this line today; Mars stays in 56 through the rest of the window. Lights natal 11–56 Curiosity from Personality Earth 56.6, a Cross gate. One practical idea that has value. Not every idea.
- Venus 28.5 Treachery — last snapshot of this line (September 21 through September 22). Still natal 28–38. Second instinct check still required.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition through September 29 / December 13.
- North Node 29.6 Confusion — still 29–46 from the 29 end.

The day

Moon 19.6 completes 19–49 Synthesis on hanging 49. The open Solar Plexus is defined from two temporary channels at once: 30–41 and 19–49. Root pressure rises from both. That is borrowed need and borrowed feeling. It is not Sacral authority. 19–49 does not join Struggle to Curiosity or to The Beat. Write the one need — food, a form, a practical support. If the sacral answers one errand that meets it, do that errand. If the sound is absent, the need stays written. Mars 56.1 Quality lights natal 11–56 from the Cross gate 56. State one useful idea. Do not tell three stories to keep the voice busy. Sun 46.2 in The Beat will ask to be treated as success before the task is done. Finish the task already started. 28.5 still needs an evening instinct check. 30.6 plus 19–49 can double the feeling; keep one written line, not two. The grab is answering from need instead of from the sacral. Wait, one sound, one errand or one idea, stop. Joined today: nothing between rooms. Limited contact is the correct use of 19.6.

Affected gates and lines

- Moon 30.2 Pragmatism — today only (Wednesday, September 23). Second body on 30–41 Recognition with Mercury 30.6 and Pluto 41.2. Do not spend energy on extra feelings.
- Sun 46.3 Projection — this line today. Continues 29–46 inside The Beat. Stay with the pattern that already works. Do not treat a future result as present.
- Venus 28.6 Blaze of glory — September 23 through September 25. Continues natal 28–38 Struggle. Winning at any price is the grab. The usable side is knowing which fight is already over.
- Mars 56.2 Linkage — September 23 through September 24. Continues lighting natal 11–56. An idea may take time. It does not have to be delivered today.
- Mercury 30.6 Enforcement, Pluto 41.2 Caution, and North Node 29.6 Confusion — still 30–41 and 29–46.

The day

19–49 left with the Moon. Moon 30.2 Pragmatism now sits on the same 30–41 that has been here all window. Do not write a new feeling page. Use the old line. If a concrete step is in the room, the sacral answers it. If not, leave the feeling. Sun 46.3 Projection inside The Beat will put next week's result on today's list. Do only what is in the room. Venus 28.6 Blaze of glory will spend extra to force an ending on Struggle. Ask whether the fight is still present. If the sound is absent, the fight is over. Mars 56.2 Linkage on Curiosity can wait; an unrecognized idea stays in the notebook. The grab is a last push that mixes extra feeling with Blaze of glory. Wait, one sound, one present deed, no second feeling, stop. Joined today: nothing between rooms. Limited contact keeps 28.6 from recruiting witnesses to the ending.

Affected gates and lines

- Sun 46.4 Impact — today only on this line. Exact Design Mars 46.4. Lights 29–46 Discovery from the natal line itself. Right place, right time can show. It does not require a new yes.
- Venus 28.6 Blaze of glory — September 23 through September 25. Still natal 28–38.
- Mars 56.2 Linkage — last snapshot of this line (September 23 through September 24). Still lights natal 11–56. Tomorrow Mars moves to 56.3.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition.
- North Node 29.6 Confusion — still 29–46 from the 29 end.

The day

The Sun stands exact on Design Mars 46.4 Impact. The Beat is at its loudest in this window. A letter, a person, or a result may land on a task that has been in motion. Take that as information. Do not open a second project. If the sacral answers one follow-up — one signature, one reply — do that follow-up and stop. Moon 30.2 has left, so 30–41 is Mercury and Pluto only again. 28.6 still wants a costly win; check whether yesterday's ending actually ended. 56.2 still holds an idea; if no one asked, it stays written. 29.6 will try to turn Impact into three new yeses. One is the limit. Using exact 46.4 as permission to skip the sacral is the grab. Wait, one sound, one follow-up, stop. Joined today: nothing between rooms. Limited contact keeps Impact from being performed for recognition.

Affected gates and lines

- Sun 46.5 Pacing — this line today; Sun remains in 46 through September 26. Continues 29–46 inside The Beat. Stay with the rhythm that already brought a result.
- Venus 28.6 Blaze of glory — last snapshot in this window (September 23 through September 25). Tomorrow Venus leaves 28. Let a finished fight stay finished.
- Mars 56.3 Alienation — September 25 onward in this window. Lights natal 11–56 Curiosity. The idea can stand without an audience.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition through September 29 / December 13.

- North Node 29.6 Confusion — still 29–46 through September 29.

The day

Friday closes the window on the same three holds, with two line changes that help. Sun 46.5 Pacing asks The Beat to repeat the pattern that already worked — the same page, the same walk, the same drawer — not a new system because the week is ending. Venus 28.6 is in its last day; one final sacral check on the fight, then drop what no longer answers before Venus leaves 28 tomorrow. Mars 56.3 Alienation lights Curiosity in a way that matches the 2nd line: keep the unused idea, or state it once if someone already asked. 30.6 and 29.6 will try to open next week early. Write nothing new. Close what this window already opened. The grab is one more blaze plus a fresh yes. Wait, repeat the task that already had a sound, let the finished fight stay finished, stop. Joined today: nothing between rooms. Limited contact is already the 56.3 condition. Use it.

Close

Eike remains a Generator with Sacral authority, 6/2 Profile, and Triple Split on the Left Angle Cross of Distraction 60/56 | 28/27. The Beat is natal 2–14 The Beat. Curiosity is natal 11–56 Curiosity. Struggle is natal electromagnetic 28–38 Struggle. This window's natal-relevant overlays are Mercury 30.6 Enforcement with Pluto 41.2 Caution completing 30–41 Recognition throughout; North Node 29.6 Confusion completing 29–46 Discovery on hanging Design Mars 46.4 throughout, lit from the 46 end by Sun 46.1 through 46.5 from September 21 through 25 and exact 46.4 on September 24; Venus 28.3 Adventurism, 28.4 Holding on, 28.5 Treachery, and 28.6 Blaze of glory lighting natal 28–38; Moon 11.3 The realist lighting natal 11–56 on September 18; Moon 19.6 The recluse completing 19–49 Synthesis on September 22 only; Moon 30.2 Pragmatism adding a second body to 30–41 on September 23 only; and Mars 56.1 Quality, 56.2 Linkage, and 56.3 Alienation lighting natal 11–56 from September 22 through 25. The three rooms are not joined. The sky does not grant a new Cross. Strategy and Authority run every day: wait, sacral sound, one deed, stop. Limited contact is the correct use of this design.
