Affected gates and lines

- Uranus 20.6 Wisdom — July 26 through October 27. Lights natal 20–34 Charisma from Personality Earth 20.5 Realism. Doing and instinct is louder from the now side. A sentence that cannot be done does not belong in speech.
- Mercury 30.6 Enforcement — July 25 through September 29. Completes hanging Personality Mars 41.2 Caution as 30–41 Recognition, a Design of focused energy. One feeling about change tries to become a rule. That feeling rides the wave. It is not a sacral yes.
- Pluto 41.2 Caution — August 14 through December 13. Exact Personality Mars 41.2 on the Root end of the same 30–41. The first draft of the feeling is not a decision.
- Venus 28.3 Adventurism — today only (Thursday, September 17). Completes hanging Personality Venus 38.5 Alienation as 28–38 Struggle, a Design of stubbornness. Instinct tests a risk that does not yet have facts.
- Mars 62.4 Asceticism — September 17 through September 18. Completes hanging Personality Moon 17.2 Discrimination as 17–62 Acceptance, a Design of an organizational being. Detail after a quiet pass. The opinion waits.

The day

Judy, you remain a Manifesting Generator with Emotional authority, 5/1 Profile, and Split Definition on the Left Angle Cross of Duality 34/20 | 40/37. Doing and instinct stays Sacral, Spleen, and Throat through natal 20–34 Charisma and natal 34–57 Power. Community and feeling stays Ego and Solar Plexus through natal 37–40 Community. Design Earth 37.1 and Design Sun 40.1 still hold the family and house bargain. Yesterday's Moon 34.2 has left, so the extra Sacral lighting on 20–34 and 34–57 is gone. Uranus 20.6 still lights 20–34 from the Throat. 30–41 Recognition sits on Community and feeling and defines the open Root from the feeling side. 28–38 Struggle sits on Doing and instinct and defines the open Root from the instinct side. 17–62 Acceptance defines the open Ajna and speaks through the Throat in Doing and instinct. None of these joins the two rooms.

A page is already started. Read it once. Wait for a sacral sound on the next physical step. Wait the wave if the content touches family or a bond. If the sound is absent, the page stays. 28.3 Adventurism on 38.5 wants a new helper or a new route. Gather one fact. Stop. 30.6 on natal 41.2 is a second look at the same feeling, not a new case. 62.4 Asceticism on 17.2 wants two facts after quiet, not a speech. The grab is recovering yesterday's

Momentum by pushing words out, or treating a Struggle risk as a household yes. Wait the wave, sacral sound, one deed, one inform, stop. The rooms take turns. Limited contact keeps Adventurism off a full room.

Affected gates and lines

- Uranus 20.6 Wisdom — July 26 through October 27. Still lights natal 20–34 Charisma.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition on natal Mars 41.2.
- Venus 28.4 Holding on — September 18 through September 20. Continues 28–38 Struggle on hanging 38.5. Keep the fight the Spleen still flags.
- Mars 62.4 Asceticism — last snapshot of this line (September 17 through September 18). Still 17–62 Acceptance on hanging 17.2. Tomorrow Mars moves to 62.5.

The day

Same climate with one line change on Struggle: Venus 28.4 Holding on. Doing and instinct still has lit 20–34, complete 28–38, and complete 17–62. Community and feeling still has complete 30–41 on natal 37–40. The rooms still take turns. Write the two-fact opinion from 62.4 if the wave and the sacral agree. Send it only after both. 28.4 keeps one item — a call, a page, a repair — and puts the rest down. The 30.6 line stays a line. It does not become the Friday plan. The grab is gripping every unfinished item because Holding on likes a full hand, or letting 17–62 leave the mouth as if it were Emotional truth. Wait the wave, sacral sound, one close, one inform, stop. Limited contact gives Asceticism the quiet the line uses.

Affected gates and lines

- Uranus 20.6 Wisdom — July 26 through October 27. Still lights natal 20–34.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition.
- Venus 28.4 Holding on — September 18 through September 20. Second day of the grip on 28–38.
- Mars 62.5 Metamorphosis — today only on this line; Mars remains in 62 through September 21. Continues 17–62 Acceptance on hanging 17.2. Action only after the details are complete.

The day

No new Moon hook. Saturday is the hold used slowly. 62.5 Metamorphosis on 17.2 says do not speak the opinion until the details are in. If they are not in, the opinion stays on paper. 28.4 is one grip, not a weekend list. 30–41 is familiar and will look settled. It is still a wave on Community and feeling. Stand in front of one concrete task in Doing and instinct. If the sacral answers and the wave is not at an extreme, do that task and inform whoever is affected. Stop. Two Saturday projects is the grab. The rooms take turns. Limited contact keeps Metamorphosis from seeking acclaim for finished details.

Affected gates and lines

- South Node 57.2 — September 20 through September 23 in gate 57. Lights natal 34–57 Power, a Design of an archetype, from the Spleen end. Doing and instinct is louder from awareness. This lighting holds through Wednesday.
- Moon 54.4 Enlightenment / endarkenment — today only (Sunday, September 20). Completes hanging Personality Saturn 32.3 as 32–54 Transformation, a Design of being driven. One step on a path already in motion. Not a new plan.
- Venus 28.4 Holding on — last snapshot of this line (September 18 through September 20). Still 28–38 on 38.5. Tomorrow Venus moves to 28.5.
- Mars 62.6 Self-discipline — September 20 through September 21. Continues 17–62 Acceptance. Detail as the path. The opinion stays short.
- Uranus 20.6 Wisdom, Mercury 30.6 Enforcement, Pluto 41.2 Caution — still 20–34 lit and 30–41 complete.

The day

Two new hooks. South Node in 57 lights natal 34–57 from the awareness end, so Doing and instinct has both 20–34 and 34–57 emphasized. Moon 54.4 completes 32–54 Transformation on hanging 32. Drive is up for one snapshot and attaches to Doing and instinct through the Spleen. Use it on the task already open — one follow-through — not on a second file. 28.4 ends today; sort which fight the Spleen still answers before Venus changes. 62.6 Self-discipline keeps 17–62 short. 30–41 still belongs to Community and feeling and still waits the wave. The grab is Sunday drive that treats 32–54, 34–57, and 20–34 as one green light while 37–40 is mid-wave. Wait the wave on the bond. Sacral sound on one existing step. One inform. Stop. The rooms are not joined. Limited contact keeps Transformation off a public campaign.

Monday, September 21, 2026

Affected gates and lines

- South Node 57.3 — continues lighting natal 34–57 Power through September 23.
- Venus 28.5 Treachery — September 21 through September 22. Continues 28–38 Struggle on hanging 38.5. Morning instinct and evening instinct can disagree. Check twice.
- Mars 62.6 Self-discipline — last snapshot of Mars in 62 (September 20 through September 21). Last day of 17–62 Acceptance. Tomorrow Mars leaves 62 and this channel drops.
- Uranus 20.6 Wisdom, Mercury 30.6 Enforcement, Pluto 41.2 Caution — still 20–34 lit and 30–41 complete.

The day

32–54 has left with the Moon. What remains in Doing and instinct is lit 20–34, lit 34–57, complete 28–38 on 28.5 Treachery, and the last day of 17–62. Community and feeling still has 30–41 on natal 37–40. Finish the short 17.2 opinion today if the wave and the sacral agree. Do not start a new one. 28.5 requires a second Spleen check after noon on the same fight. A helper who fit at 10:00 may not fit at 4:00. One fact at each check. The grab is issuing tomorrow's work today because 17–62 is about to drop, or letting 28.5 rewrite the alliance between

checks. Wait the wave, sacral sound, one close, one evening check, one inform, stop. Limited contact keeps Treachery from testing whoever is nearby. The rooms still take turns.

Tuesday, September 22, 2026

Affected gates and lines

- Moon 19.6 The recluse — today only (Tuesday, September 22). Completes hanging Design North Node 49.3 as 19–49 Synthesis, a Design of being sensitive. Need and support rise for one snapshot. 19.6 uses limited contact.
- Mars 56.1 Quality — this line today; Mars stays in 56 through the rest of the window. Completes hanging Design Moon 11.4 as 11–56 Curiosity, the design of the searcher. One practical idea. Not a string of stories. 17–62 has dropped; Mars left 62.
- South Node 57.5 — continues lighting natal 34–57 Power through September 23.
- Venus 28.5 Treachery — last snapshot of this line (September 21 through September 22). Still 28–38. Second instinct check still required.
- Uranus 20.6 Wisdom, Mercury 30.6 Enforcement, Pluto 41.2 Caution — still 20–34 lit and 30–41 complete.

The day

17–62 is gone. Two new completions arrive. Moon 19.6 completes 19–49 Synthesis on hanging 49. The open Solar Plexus now has natal 37–40, temporary 30–41, and temporary 19–49. Need and feeling are loud. They are not sacral yeses. Write the one need. If the wave has moved and the sacral answers one errand that meets it, do that errand. If not, the need stays written. Mars 56.1 completes 11–56 Curiosity on hanging 11. That idea channel uses the Throat in Doing and instinct. State one useful idea. Do not load it onto the 19–49 errand. 28.5 still needs an evening check. 34–57 is still lit. The grab is answering from need, or telling three stories because 11–56 just opened. Wait the wave, sacral sound, one errand or one idea, one inform, stop. 19–49 does not join the Split. Limited contact is the correct use of 19.6.

Wednesday, September 23, 2026

Affected gates and lines

- Moon 30.2 Pragmatism — today only (Wednesday, September 23). Second body on 30–41 Recognition with Mercury 30.6 and Pluto 41.2. Do not spend energy on extra feelings.
- Mars 56.2 Linkage — September 23 through September 24. Continues 11–56 Curiosity on hanging 11.4. An idea may take time. It does not have to be delivered today.
- Venus 28.6 Blaze of glory — September 23 through September 25. Continues 28–38 Struggle on hanging 38.5. Winning at any price is the grab. The usable side is knowing which fight is already over.
- South Node 57.6 — last snapshot of SN in 57 (September 20 through September 23). Last day of this 34–57 lighting from the Spleen end.

- Uranus 20.6 Wisdom, Mercury 30.6 Enforcement, Pluto 41.2 Caution — still 20–34 lit and 30–41 complete.

The day

19–49 has left. Moon 30.2 Pragmatism sits on the same 30–41 that has been here all window. Do not write a new feeling page. Use the old line. If a concrete step is present and the wave has moved, the sacral answers that step. Venus 28.6 Blaze of glory will spend to force an ending on Struggle. Ask whether the fight is still present. If the sound is absent, the fight is over. 56.2 Linkage on 11–56 can wait in the notebook. 34–57 lighting from the South Node ends with this snapshot; natal 34–57 remains defined at ordinary volume tomorrow. The grab is a last push that mixes extra feeling with Blaze of glory. Wait the wave, one present deed, no second feeling, one inform, stop. The rooms take turns. Limited contact keeps 28.6 from recruiting witnesses.

Thursday, September 24, 2026

Affected gates and lines

- Moon 37.3 Evenhandedness — today only (Thursday, September 24). Lights natal 37–40 Community from Design Earth 37.1 The mother/father. Appropriate behaviour in the bond. Not a test of the borders. This is authority's home channel.
- Mars 56.2 Linkage — last snapshot of this line (September 23 through September 24). Still 11–56 Curiosity. Tomorrow Mars moves to 56.3.
- Venus 28.6 Blaze of glory — September 23 through September 25. Still 28–38 Struggle.
- Uranus 20.6 Wisdom, Mercury 30.6 Enforcement, Pluto 41.2 Caution — still 20–34 lit and 30–41 complete.

The day

Moon 37.3 Evenhandedness lights natal 37–40 from Design Earth. Community and feeling is at full volume. The wave on a family or house matter is the decision. Write one message about the shared matter. It does not go out until the wave has moved and the sacral has answered the sending. 30–41 is still on that same room; keep the feeling line off the message. 11–56 is still complete on 56.2; keep that idea off the message too. Two subjects in one note is the grab. Doing and instinct still has lit 20–34 and complete 28–38. Those wait their turn. 34–57 is no longer lit from the Node. Wait the wave, one sacral send, one inform, stop. Limited contact keeps 37.3 from turning Evenhandedness into a survey. The rooms are not joined.

Friday, September 25, 2026

Affected gates and lines

- Mars 56.3 Alienation — September 25 onward in this window. Continues 11–56 Curiosity on hanging 11.4. The idea can stand without an audience.
- Venus 28.6 Blaze of glory — last snapshot in this window (September 23 through September 25). Tomorrow Venus leaves 28. Let a finished fight stay finished.
- Uranus 20.6 Wisdom — July 26 through October 27. Still lights natal 20–34 Charisma.

- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition through September 29 / December 13.

The day

Moon 37.3 has left. Natal 37–40 returns to ordinary volume. Friday closes the window on lit 20–34, complete 30–41, complete 28–38 on the last day of 28.6, and complete 11–56 on 56.3 Alienation. Use 56.3 the 5/1 way: one idea kept, or one idea stated once to someone who already asked. 28.6 gets one final sacral check on the fight, then drop what no longer answers before Venus leaves 28 tomorrow. Do not stack Thursday's community message onto today's idea. Do not open next week through 30.6. The grab is one more blaze plus a leftover bond treated as a new decision. Wait the wave, sacral sound, one close, one inform, stop. The rooms take turns. Limited contact is already the 56.3 condition. The sky does not grant a new Cross.

Close

Judy remains a Manifesting Generator with Emotional authority, 5/1 Profile, and Split Definition on the Left Angle Cross of Duality 34/20 | 40/37. Doing and instinct is natal 20–34 Charisma and natal 34–57 Power. Community and feeling is natal 37–40 Community. This window's natal-relevant overlays are Uranus 20.6 Wisdom lighting 20–34 throughout; Mercury 30.6 Enforcement with Pluto 41.2 Caution completing 30–41 Recognition on natal Mars throughout, with Moon 30.2 Pragmatism adding a second body on September 23; Venus 28.3 Adventurism, 28.4 Holding on, 28.5 Treachery, and 28.6 Blaze of glory completing 28–38 Struggle on natal 38.5 throughout; Mars 62.4 Asceticism, 62.5 Metamorphosis, and 62.6 Self-discipline completing 17–62 Acceptance on natal 17.2 from September 17 through 21; South Node in 57 lighting 34–57 Power from September 20 through 23; Moon 54.4 completing 32–54 Transformation on hanging 32.3 on September 20; Moon 19.6 The recluse completing 19–49 Synthesis on September 22; Mars 56.1 through 56.3 completing 11–56 Curiosity on hanging 11.4 from September 22 through 25; and Moon 37.3 Evenhandedness lighting natal 37–40 on September 24. The two rooms are not joined. The sky does not grant a new Cross. Strategy and Authority run every day: wait the wave, sacral sound, one deed, one inform, stop. Limited contact is the correct use of this design.
