Affected gates and lines

- Venus 28.3 Adventurism — today only (Thursday, September 17). Exact Personality Mars 28.3. Lights natal 28–38 Struggle, a Design of stubbornness, from Personality Earth 38.1 on the Cross of Tension. Instinct tests a risk that does not yet have facts.
- Mercury 30.6 Enforcement — July 25 through September 29. Exact Design North Node 30.6. Completes hanging 30 as 30–41 Recognition, a Design of focused energy. A feeling about change tries to become a rule. Splenic authority is a first-body hit, not that feeling.
- Pluto 41.2 Caution — August 14 through December 13. Supplies the 41 end of the same 30–41.
- Moon 5.2 Inner peace — today only. Completes hanging Design Moon 15.6 as 5–15 Rhythm, a Design of being in the flow. The day's pace is already fixed.
- Jupiter 7.5 The general — September 17 through September 21. Completes hanging Personality Mercury 31.1 as 7–31 The Alpha, a Design of leadership for good or bad. A directing sentence is available. It still needs invitation.
- Uranus 20.6 Wisdom — July 26 through October 27. Completes hanging Personality Neptune 57.5 and Design Neptune 57.6 as 20–57 The Brain Wave, a Design of awareness. Insight in the now. It is not an invitation.
- Neptune 25.6 — holds through this window. Completes hanging Design Mercury 51.4 as 25–51 Initiation, a Design of needing to be first. Shock energy. It still waits to be asked.

The day

Leah, you remain a Projector with Splenic authority, 1/3 Profile, and Single Definition on the Right Angle Cross of Tension 39/38 | 21/48. There is no split to join. The only natal channel is 28–38 Struggle. Venus 28.3 stands exact on Personality Mars and lights that channel from the purpose end. The rest of today's sky adds temporary channels: 30–41 on hanging 30, 5–15 on hanging 15, 7–31 on hanging 31, 20–57 on hanging 57, and 25–51 on hanging 51. None of that replaces invitation.

A risk appears on the natal Struggle line — a new number, a new route, a new helper. The Spleen's first hit on that item is the decision. If the hit is absent, the risk stays on paper. 5.2 Inner peace keeps the day's clock. Do not add a second pace. 7.5 and 20–57 both use the mouth. Leave the sentence until someone in reach asks. 30.6 is a feeling. 25–51 wants to go first. First is still after recognition. The grab is transmitting without being asked

because The Alpha, The Brain Wave, and Initiation arrived together. Wait recognition. One response. Stop. Limited contact is study-and-wait. The 3rd line can take one small trial only after the ask.

Affected gates and lines

- Venus 28.4 Holding on — September 18 through September 20. Continues lighting natal 28–38 Struggle. Keep the fight the Spleen still flags.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition on hanging 30.
- Jupiter 7.5 The general — still 7–31 The Alpha on hanging 31.
- Uranus 20.6 Wisdom — still 20–57 The Brain Wave on hanging 57.
- Neptune 25.6 — still 25–51 Initiation on hanging 51.

The day

Moon 5.2 has left. 5–15 is gone. Venus moves to 28.4 Holding on on natal 28–38. Which fight still gets a spleen yes. Keep that one. Put the rest down. 30–41, 7–31, 20–57, and 25–51 continue. Finish a short note if someone asked. Do not send a summary to hold the fight in public. The grab is gripping every unfinished item because Holding on likes a full hand. Wait recognition. One response. Stop.

Saturday, September 19, 2026

Affected gates and lines

- Moon 58.4 Focusing — today only (Saturday, September 19). Completes hanging Personality Saturn 18.6 as 18–58 Judgment, a Design of insatiability. One correction that is worth the energy. Not every flaw.
- Venus 28.4 Holding on — September 18 through September 20. Still natal 28–38.
- Jupiter 7.5 The general — still 7–31.
- Mercury 30.6, Pluto 41.2, Uranus 20.6, Neptune 25.6 — still 30–41, 20–57, and 25–51.

The day

Moon 58.4 completes 18–58 on hanging 18. Pick one thing that is actually spoilt — a sentence, a number, a step in the study — and correct that one thing. Leave the rest. 28.4 still holds one fight. 7–31 and 20–57 still want the mouth; they wait for the ask. The 1st line can use Saturday to look at the pattern, not to publish it. The grab is repairing the whole list because Judgment never feels finished. Wait recognition. One correction if it was requested. Stop.

Sunday, September 20, 2026

Affected gates and lines

- Moon 54.4 Enlightenment / endarkenment — today only (Sunday, September 20). Completes hanging Personality Moon 32.4 as 32–54 Transformation, a Design of being driven. One step on the existing path. Not a new plan.
- South Node 57.2 — September 20 through September 23 in gate 57. Lights the 57 end of 20–57 The Brain Wave already completed by Uranus 20.6. Awareness is louder from the Spleen.
- Venus 28.4 Holding on — last snapshot of this line (September 18 through September 20). Still natal 28–38. Tomorrow Venus moves to 28.5.
- Jupiter 7.5 The general — still 7–31 through September 21.
- Mercury 30.6, Pluto 41.2, Uranus 20.6, Neptune 25.6 — still 30–41, 20–57, and 25–51.

The day

Moon 54.4 completes 32–54 on hanging 32. Drive is up for one snapshot. Use it on the study or task already open. 18–58 has left. SN in 57 turns the volume up on 20–57. Insight can arrive. It is still not an invitation to speak. 28.4 ends today; sort which fight the Spleen still answers before Venus changes. The grab is Sunday ambition that treats Transformation, The Brain Wave, and The Alpha as one reason to initiate. Wait recognition. One response if it arrives. Stop.

Monday, September 21, 2026

Affected gates and lines

- Sun 46.1 Being discovered — this line today; Sun stays in 46 through September 26. Completes hanging Design South Node 29.6, already occupied by North Node 29.6, as 29–46 Discovery, a Design of succeeding where others fail. Dedication in obscurity. The work does not need to be shown.
- Earth 25.1 — this line today; Earth stays in 25 through September 25. Second body on 25–51 Initiation with Neptune 25.6.
- Venus 28.5 Treachery — September 21 through September 22. Continues lighting natal 28–38. Morning instinct and evening instinct can disagree. Check the Spleen twice.
- Jupiter 7.5 The general — last snapshot of this line. Still 7–31. Tomorrow Jupiter moves to 7.6.
- South Node 57.3 — continues lighting 20–57 through September 23.
- Mercury 30.6, Pluto 41.2, Uranus 20.6, Neptune 25.6 — still 30–41, 20–57, and 25–51.

The day

32–54 has left. Sun 46.1 completes 29–46 on hanging 29. Do the Monday task without a status note. Earth in 25 makes 25–51 louder. Shock is not invitation. Venus 28.5 on natal Struggle requires a second spleen check after noon on the same fight. 7.5 is in its last day; do not issue Tuesday's directions today. The grab is Discovery plus Initiation plus Treachery treated as a green light. Wait recognition. One response. One evening spleen check. Stop.

Tuesday, September 22, 2026

Affected gates and lines

- Moon 19.6 The recluse — today only (Tuesday, September 22). Completes hanging Personality North Node 49.4 as 19–49 Synthesis, a Design of being sensitive. Need and support rise for one snapshot. 19.6 uses limited contact.
- Sun 46.2 The prima donna — this line today. Continues 29–46 Discovery. Determination to succeed can offend. The work still does not require display.
- Jupiter 7.6 The administrator — September 22 through September 26. Continues 7–31 The Alpha. Share one responsibility if asked. Do not collect power through the sentence.
- Venus 28.5 Treachery — last snapshot of this line. Still natal 28–38. Second instinct check still required.
- South Node 57.5 — continues lighting 20–57. Near Personality Neptune 57.5.
- Earth 25.2 — continues 25–51 Initiation.
- Mercury 30.6, Pluto 41.2, Uranus 20.6, Neptune 25.6 — still 30–41, 20–57, and 25–51.

The day

Moon 19.6 completes 19–49 on hanging 49. Write the one need. If someone already in reach asked how to help, answer with one errand. If no one asked, the need stays written. 19–49 is borrowed need. It is not Splenic authority. 7–31 is now 7.6 The administrator. 29–46 continues. 28.5 still needs an evening check. 20–57 is loud from SN 57.5. The grab is searching for company to meet the need, or telling a leadership sentence no one requested. Wait recognition. One response. Stop. Limited contact is the correct use of 19.6 and of the 1st line.

Wednesday, September 23, 2026

Affected gates and lines

- Moon 30.2 Pragmatism — today only (Wednesday, September 23). Second body on 30–41 Recognition with Mercury 30.6 exact Design North Node 30.6 and Pluto 41.2. Do not spend energy on extra feelings.
- Venus 28.6 Blaze of glory — September 23 through September 25. Continues lighting natal 28–38 Struggle. Winning at any price is the grab. The usable side is knowing which fight is already over.
- Sun 46.3 Projection — this line today. Continues 29–46 Discovery. Do not treat a future result as present.
- South Node 57.6 — last snapshot of SN in 57 (September 20 through September 23). Exact Design Neptune 57.6. Last day of this extra lighting on 20–57.
- Jupiter 7.6 The administrator — still 7–31.
- Earth 25.3 — still 25–51.
- Uranus 20.6, Mercury 30.6, Pluto 41.2, Neptune 25.6 — still 20–57, 30–41, and 25–51.

The day

19–49 has left. Moon 30.2 sits on the same 30–41 that has been here all window. Do not write a second feeling page. Venus 28.6 on natal Struggle will spend to force an ending. Ask the Spleen whether the fight is still present. If the first hit is absent, the fight is over. 29–46 on 46.3 will calendar next week as if it is done. Do only

what is in the room, and only if asked. SN 57.6 is the last day of extra volume on 20–57. The grab is a last push that mixes doubled feeling with Blaze of glory. Wait recognition. One response. Stop.

Thursday, September 24, 2026

Affected gates and lines

- Sun 46.4 Impact — today only on this line. Continues 29–46 Discovery on hanging 29.6. Right place, right time can show. It does not require a new initiation.
- Venus 28.6 Blaze of glory — September 23 through September 25. Still natal 28–38.
- Jupiter 7.6 The administrator — still 7–31.
- Earth 25.4 — still 25–51.
- Mercury 30.6, Pluto 41.2, Uranus 20.6, Neptune 25.6 — still 30–41, 20–57, and 25–51. South Node has left 57; 20–57 continues through Uranus 20.6 only.

The day

Sun 46.4 Impact on 29–46 can look like proof that more should be started. Take the result as information. Respond only if someone asks for the follow-up. 28.6 still wants a costly win on Struggle; check whether yesterday's ending actually ended. 7–31 and 25–51 still wait for invitation. 20–57 is quieter without the Node. The grab is using Impact as permission to skip recognition. Wait recognition. One response. Stop. The 3rd line notes what worked and leaves the rest.

Friday, September 25, 2026

Affected gates and lines

- Sun 46.5 Pacing — this line today. Continues 29–46 Discovery. Stay with the rhythm that already brought a result.
- Venus 28.6 Blaze of glory — last snapshot in this window (September 23 through September 25). Tomorrow Venus leaves 28. Last day of this lighting on natal 28–38. Let a finished fight stay finished.
- Jupiter 7.6 The administrator — still 7–31 through September 26.
- Earth 25.5 — still 25–51 Initiation through the window.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 through September 29 / December 13.
- Uranus 20.6 Wisdom — still 20–57 through October 27.
- Neptune 25.6 — still 25–51.

The day

Friday closes the window on lit natal 28–38 in the last day of 28.6, complete 29–46 on 46.5 Pacing, complete 7–31, complete 25–51, complete 30–41, and complete 20–57. Repeat the pattern that already worked. One spleen check on the fight, then drop what no longer answers before Venus leaves 28 tomorrow. Do not open next week through Enforcement. Do not take an administrator role to end the week. The grab is a closing initiation no one

requested. Wait recognition. One response if it is here. Stop. Limited contact is already the 1/3 condition. The sky does not grant a new Cross.

Close

Leah remains a Projector with Splenic authority, 1/3 Profile, and Single Definition on the Right Angle Cross of Tension 39/38 | 21/48. The only natal channel is 28–38 Struggle. There is no split to join. The sky does not grant a new Cross. Strategy and Authority run every day: wait recognition or invitation, one response, stop. Limited contact is the correct use of this design.
