

Milena — Transit Report

September 17, 2026 through September 25, 2026

Prepared by Dennis Fried

Voice: V3.1 Fluent

Form: Combined

Type: Projector | Profile: 4/6 | Authority: Splenic | Definition: Single | Cross: Right Angle Cross of the Unexpected
(27/28 | 41/31)

Thursday, September 17, 2026

Affected gates and lines

- Mercury 30.6 Enforcement — July 25 through September 29. Completes hanging Design Sun 41.6 as 30–41 Recognition, a Design of focused energy. A feeling about change tries to become a rule. Splenic authority is a first-body hit, not that feeling.
- Pluto 41.2 Caution — August 14 through December 13. Occupies the 41 end of the same 30–41, on the Cross of the Unexpected. The start of the feeling is slow. It is not an invitation.
- Earth 36.3 Transition — September 17 only on this line; Earth stays in 36 through September 20. Completes hanging Personality Mars 35.3 as 35–36 Transitoriness, a Design of a Jack of all Trades. One experience is ending. A new one is not started by force.
- Mars 62.4 Asceticism — September 17 through September 18. Completes hanging Personality Moon 17.3 as 17–62 Acceptance, a Design of an organizational being. An opinion after quiet detail. It waits for recognition before it is spoken.
- Jupiter 7.5 The general — September 17 through September 21. Completes hanging Design Earth 31.6 as 7–31 The Alpha, a Design of leadership for good or bad, on the Cross of the Unexpected. A directing sentence is available. It still needs invitation.

The day

Milena, you remain a Projector with Splenic authority, 4/6 Profile, and Single Definition on the Right Angle Cross of the Unexpected 27/28 | 41/31. There is no split to join. The only natal channel is 26–44 Surrender, a Design of a transmitter. That channel is not lit by the sky in this window. What the sky adds today are temporary channels: 30–41 Recognition on hanging 41, 35–36 Transitoriness on hanging 35, 17–62 Acceptance on hanging 17, and 7–31 The Alpha on hanging 31. The open Solar Plexus, Root, Ajna, and G-to-Throat leadership line are defined only for the hold. None of that replaces invitation.

A message or an opinion is drafted. Leave it. If someone already in the 4th-line network asks for the detail, give the short 17.2-style version and stop. 36.3 Transition on 35–36 is one experience closing; do not volunteer for the next one. 30.6 on Cross gate 41 is a feeling. The Spleen's first hit on the actual request is the decision. 7.5 on Cross gate 31 can sound like a role. It is not a request to lead. The grab is transmitting without being asked because 17–62 and 7–31 both use the mouth. Wait recognition or invitation. One response. Stop. Limited contact is correct Projector pacing.

Friday, September 18, 2026

Affected gates and lines

- Earth 36.4 Espionage — today only on this line; Earth remains in 36 through September 20. Continues 35–36 Transitoriness on hanging 35.3. Information gathered in private prepares the change. It is not a briefing.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition on hanging Design Sun 41.6.
- Mars 62.4 Asceticism — last snapshot of this line (September 17 through September 18). Still 17–62 Acceptance on hanging 17.3. Tomorrow Mars moves to 62.5.
- Jupiter 7.5 The general — September 17 through September 21. Still 7–31 The Alpha on hanging 31.6.

The day

Moon 11.3 occupies hanging 11. The other end, 56, is not in. 11–56 is not present. What remains is 35–36 on exact-feeling Earth 36.4 Espionage, plus the slow 30–41, 17–62, and 7–31. Read one file. Keep one fact. Do not send a summary unless the person who owns the file asked. The 62.4 opinion can be finished on paper. It goes out only on invitation. 30–41 will try to make the fact into a life rule. The Spleen answers the request in front of you, not the rule. The grab is a private note becoming a public transmission through natal 26–44. Wait recognition. One response. Stop.

Saturday, September 19, 2026

Affected gates and lines

- Earth 36.5 The underground — today only on this line; Earth remains in 36 through September 20. Continues 35–36 Transitoriness. The change can continue without a report.
- Mars 62.5 Metamorphosis — today only on this line; Mars remains in 62 through September 21. Continues 17–62 Acceptance on hanging 17.3. Speak only after the details are complete, and only if asked.
- Mercury 30.6 Enforcement, Pluto 41.2 Caution, Jupiter 7.5 The general — still 30–41 and 7–31.

The day

No new completion. Saturday is the hold at a slower pace. 36.5 The underground on 35–36 says the experience does not need an announcement. 62.5 Metamorphosis on 17–62 says the opinion waits until the details are in and someone asks for them. 7–31 and 30–41 stay in the body. A 4/6 Saturday in limited contact is one recognized reply to a person already on the list, or no reply. Filling the calendar to use the extra channels is the grab. Wait invitation. One response. Stop. Single Definition does not need a room of people to sequence the day.

Sunday, September 20, 2026

Affected gates and lines

- Earth 36.6 Justice — last snapshot of Earth in 36 (September 17 through September 20). Last day of 35–36 Transitoriness on hanging 35.3. Tomorrow Earth leaves 36 and this channel drops.
- Mars 62.6 Self-discipline — September 20 through September 21. Continues 17–62 Acceptance. Detail as the path. The opinion stays short.
- Mercury 30.6 Enforcement, Pluto 41.2 Caution, Jupiter 7.5 The general — still 30–41 and 7–31.

The day

35–36 ends with this snapshot. Let the experience that has been running since Thursday stop. Do not volunteer a replacement project to keep Transitoriness busy. 17–62 on 62.6 can deliver one short, asked-for detail. 30–41 and 7–31 continue past Sunday. The grab is a Sunday transmission that uses the last day of 35–36 as proof that initiating is required. Projector strategy does not change because a temporary channel is leaving. Wait recognition. One response if it arrives. Stop.

Monday, September 21, 2026

Affected gates and lines

- Jupiter 7.5 The general — last snapshot of this line (September 17 through September 21). Still 7–31 The Alpha on hanging Design Earth 31.6. Tomorrow Jupiter moves to 7.6.
- Mars 62.6 Self-discipline — last snapshot of Mars in 62 (September 20 through September 21). Last day of 17–62 Acceptance. Tomorrow Mars leaves 62 and this channel drops.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition on hanging 41.6.

The day

35–36 is gone. What remains is the last day of 17–62, the last day of Jupiter 7.5 on 7–31, and the ongoing 30–41. Monday is a clean invitation day. If no one in the existing network asks, nothing goes out. If someone asks for the short opinion, give it and stop. Do not issue tomorrow's work today because 17–62 is about to drop. Do not take a general's role because Jupiter is about to change line. The Spleen's first hit on the actual ask is enough. Wait recognition. One response. Stop. Limited contact is the 4th-line method.

Tuesday, September 22, 2026

Affected gates and lines

- Mars 56.1 Quality — this line today; Mars stays in 56 through the rest of the window. Completes hanging Personality Uranus 11.5 and Design Uranus 11.3 as 11–56 Curiosity, the design of the searcher. One practical idea that has value. 17–62 has dropped.
- Jupiter 7.6 The administrator — September 22 through September 26. Continues 7–31 The Alpha on hanging 31.6. Share one responsibility if asked. Do not collect power through the sentence.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition.

The day

17–62 is gone. Mars 56.1 Quality completes 11–56 on hanging 11. An idea can be named. Name it only if someone asked for an idea. One sentence that can be used. Jupiter 7.6 The administrator on the same 7–31 now apportions a responsibility rather than commanding. 30–41 still supplies feeling weather on Cross gate 41. That feeling is not Splenic authority and it is not an invitation. The grab is telling three stories because Curiosity just opened, or assigning roles no one requested. Wait recognition. One idea or one assignment, if asked. Stop.

Wednesday, September 23, 2026

Affected gates and lines

- Moon 30.2 Pragmatism — today only (Wednesday, September 23). Second body on 30–41 Recognition with Mercury 30.6 and Pluto 41.2. Do not spend energy on extra feelings.
- Mars 56.2 Linkage — September 23 through September 24. Continues 11–56 Curiosity on hanging 11. An idea may take time to be recognized. It does not have to be delivered today.
- Jupiter 7.6 The administrator — September 22 through September 26. Still 7–31 The Alpha.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41.

The day

Moon 30.2 Pragmatism sits on the same 30–41 that has been here all window. Do not write a second feeling page. The old line is enough. 56.2 Linkage on 11–56 says the idea can wait for recognition. Leave it on paper. 7–31 still offers one responsibility to name if invited. Extra feeling plus an undelivered idea plus a leadership line is three channels talking. The Projector move is none of them until someone asks. The grab is spending the doubled 30 as if it were a spleen yes. Wait invitation. One response. Stop.

Thursday, September 24, 2026

Affected gates and lines

- Mars 56.2 Linkage — last snapshot of this line (September 23 through September 24). Still 11–56 Curiosity. Tomorrow Mars moves to 56.3.
- Jupiter 7.6 The administrator — September 22 through September 26. Still 7–31 The Alpha.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition.

The day

No new Moon hook that completes a hanging gate. Thursday is 11–56, 7–31, and 30–41 at familiar volume. The 6th-line role watches which of this window's invitations actually arrived and which drafts stayed drafts. Answer one recognized request from the existing network. Leave the rest. Forcing linkage on 56.2 — sending the idea again because no one answered — is the grab. Wait recognition. One response. Stop. Single Definition does not need a second person to weld anything.

Friday, September 25, 2026

Affected gates and lines

- Mars 56.3 Alienation — September 25 onward in this window. Continues 11–56 Curiosity on hanging 11. The idea can stand without an audience.
- Jupiter 7.6 The administrator — September 22 through September 26. Still 7–31 The Alpha.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition through September 29 / December 13.

The day

Friday closes the window on 11–56 with 56.3 Alienation, which matches limited contact: the unused idea stays put unless someone already asked. 7–31 and 30–41 continue past Friday. Do not open next week through Enforcement. Do not take an administrator role to end the week cleanly. Natal 26–44 remains the only permanent channel; it still transmits when recognized, not when the temporary sky is loud. The grab is a closing statement no one requested. Wait recognition. One response if it is here. Stop. The sky does not grant a new Cross.

Close

Milena remains a Projector with Splenic authority, 4/6 Profile, and Single Definition on the Right Angle Cross of the Unexpected 27/28 | 41/31. The only natal channel is 26–44 Surrender. That channel is not lit in this window. This window's natal-relevant overlays are Mercury 30.6 Enforcement with Pluto 41.2 Caution completing 30–41 Recognition on hanging Design Sun 41.6 throughout, with Moon 30.2 Pragmatism adding a second body on September 23; Earth 36.3 through 36.6 completing 35–36 Transitoriness on hanging Personality Mars 35.3 from September 17 through 20; Mars 62.4 Asceticism, 62.5 Metamorphosis, and 62.6 Self-discipline completing 17–62 Acceptance on hanging Personality Moon 17.3 from September 17 through 21; Jupiter 7.5 The general then 7.6 The administrator completing 7–31 The Alpha on hanging Design Earth 31.6 throughout; and Mars 56.1 Quality, 56.2 Linkage, and 56.3 Alienation completing 11–56 Curiosity on hanging 11 from September 22 through 25. There is no split to join. The sky does not grant a new Cross. Strategy and Authority run every day: wait recognition or invitation, one response, stop. Limited contact is the correct use of this design.
