Affected gates and lines

- Sun 6.3 Allegiance — September 17 only on this line; Sun stays in 6 through September 20. Completes hanging Personality South Node 59.1 and Design South Node 59.5 as 6–59 Mating, a Design focused on reproduction. Union or a closed door. The wave decides which.
- South Node 48.3 — September 17 through September 19 in gate 48. Lights natal 16–48 The Wave Length, a Design of talent, from Personality Saturn 48.5 and Design Saturn 48.4. Depth on the skill. Not a public lesson.
- Mercury 30.6 Enforcement — July 25 through September 29. Completes hanging Personality Venus 41.5 as 30–41 Recognition, a Design of focused energy. One feeling about change tries to become a rule. That feeling rides the wave.
- Pluto 41.2 Caution — August 14 through December 13. Occupies the 41 end of the same 30–41. The first draft of the feeling is not a decision.
- Mars 62.4 Asceticism — September 17 through September 18. Completes hanging Design Jupiter 17.1 as 17–62 Acceptance, a Design of an organizational being. Detail after a quiet pass. The opinion waits the wave.
- Uranus 20.6 Wisdom — July 26 through October 27. Completes hanging Design Mercury 10.2 as 10–20 Awakening, a Design of commitment to higher principles. Speech that can be lived. Speech that cannot wait.
- Neptune 25.6 — holds through this window. Completes hanging Personality Jupiter 51.1 as 25–51 Initiation, a Design of needing to be first. Shock energy. It still informs first.

The day

Teresa, you remain a Manifestor with Emotional authority, 2/4 Profile, and Single Definition on the Right Angle Cross of Planning 37/40 | 9/16. There is no split to join. Natal channels stay 37–40 Community, 39–55 Emoting, 32–54 Transformation, 16–48 The Wave Length, and 9–16 from Design Sun 9.4 and Design Earth 16.4. Today the sky adds 6–59 Mating on hanging 59, lights 16–48 from 48, completes 30–41 on hanging 41, completes 17–62 on hanging 17, completes 10–20 on hanging 10, and completes 25–51 on hanging 51. None of that changes Strategy.

A person in the small 4th-line network may need one sentence about a shared plan or a closed door. Write it. Wait the wave on 37–40 and on 6–59. Inform that one person. Stop. Withdraw. 62.4 keeps the opinion on paper until the wave and the inform are done. 30.6 is a feeling line, not an initiation. 25–51 wants to go first; the inform still comes first. The grab is opening the door to three people because Mating, Initiation, and The Wave Length all arrived on the same Thursday. Wait the wave. One inform. Stop. Limited contact is the 2nd-line hermit doing the 4th-line job.

Affected gates and lines

- Sun 6.4 Triumph — today only on this line; Sun remains in 6 through September 20. Continues 6–59 Mating on hanging 59. Emotional power can dominate a bond. The wave is still the decision.
- South Node 48.4 — today only on this line. Near Design Saturn 48.4. Continues lighting natal 16–48 The Wave Length.
- Mars 62.4 Asceticism — last snapshot of this line (September 17 through September 18). Still 17–62 Acceptance. Tomorrow Mars moves to 62.5.
- Mercury 30.6 Enforcement, Pluto 41.2 Caution, Uranus 20.6 Wisdom, Neptune 25.6 — still 30–41, 10–20, and 25–51.

The day

6.4 Triumph on 6–59 can push a bond. Wait the wave before any message about closeness or distance. 16–48 is lit from exact-ish Design Saturn. Practice the skill in private. Do not turn it into a demonstration. Finish the 17–62 note on paper. Inform one person if a detail they share is ready. 25–51 still wants first place; first place after the inform, not instead of it. The grab is winning a bond on Friday heat. Wait the wave. One inform. Stop.

Saturday, September 19, 2026

Affected gates and lines

- Moon 58.4 Focusing — today only (Saturday, September 19). Completes hanging Design Mars 18.1 as 18–58 Judgment, a Design of insatiability. One correction that is worth the energy. Not every flaw.
- Sun 6.5 Arbitration — today only on this line; Sun remains in 6 through September 20. Continues 6–59 Mating. Sensitivity to conflict can postpone intimacy. That is usable.
- South Node 48.6 — last snapshot of SN in 48 (September 17 through September 19). Last day of this 16–48 lighting from the 48 end.
- Mars 62.5 Metamorphosis — today only on this line; Mars remains in 62 through September 21. Continues 17–62 Acceptance. Speak only after the details are complete.
- Mercury 30.6, Pluto 41.2, Uranus 20.6, Neptune 25.6 — still 30–41, 10–20, and 25–51.

The day

Moon 58.4 completes 18–58 on hanging 18. Pick one thing that is actually spoilt — a sentence, a number, a habit — and correct that one thing. Leave the rest. 6.5 Arbitration on 6–59 can avoid the bond for the day. That

is allowed. 16–48 lighting from the Node ends with this snapshot; natal 16–48 remains. 62.5 keeps the opinion in until the details are in and the wave has moved. The grab is Saturday repairs across the whole house because Judgment never feels done. Wait the wave. One correction. One inform if someone is affected. Stop. Then withdraw.

Sunday, September 20, 2026

Affected gates and lines

- Sun 6.6 The peacemaker — last snapshot of Sun in 6 (September 17 through September 20). Last day of 6–59 Mating. Tomorrow Sun leaves 6 and this channel drops.
- Moon 54.4 Enlightenment / endarkenment — today only (Sunday, September 20). Lights natal 32–54 Transformation from Design Moon 54.3. Drive on the existing path. Not a new plan.
- Mars 62.6 Self-discipline — September 20 through September 21. Continues 17–62 Acceptance. Detail as the path.
- Mercury 30.6, Pluto 41.2, Uranus 20.6, Neptune 25.6 — still 30–41, 10–20, and 25–51.

The day

6–59 ends with this snapshot. If a bond needed one closing sentence, wait the wave and inform that one person. Do not start a new intimacy to keep Mating busy. Moon 54.4 lights natal 32–54 from Design Moon. Use the drive on the task already in motion. 18–58 has left. 17–62 on 62.6 can deliver one short asked-for detail after the wave. 25–51 and 10–20 continue. The grab is a Sunday initiation that uses the last day of 6–59 as a reason to open a door. Wait the wave. One inform. Stop.

Monday, September 21, 2026

Affected gates and lines

- Earth 25.1 — this line today; Earth stays in 25 through September 25. Second body on 25–51 Initiation with Neptune 25.6 and hanging 51.1. Shock is louder. Inform is still first.
- Mars 62.6 Self-discipline — last snapshot of Mars in 62 (September 20 through September 21). Last day of 17–62 Acceptance. Tomorrow Mars leaves 62 and this channel drops.
- Mercury 30.6 Enforcement, Pluto 41.2 Caution, Uranus 20.6 Wisdom, Neptune 25.6 — still 30–41, 10–20, and 25–51.

The day

6–59 is gone. 32–54 lighting from the Moon is gone. What remains is the last day of 17–62, louder 25–51 with Earth now in 25, and the ongoing 30–41 and 10–20. Monday is a clean inform day. If the short opinion is ready and the wave has moved, inform the one person who needs that detail. Do not issue Tuesday's work today because 17–62 is leaving. Do not go first through 25–51 without the inform. The grab is shock used as a door-opener. Wait the wave. One inform. Stop. The 2nd line can close the door after that.

Tuesday, September 22, 2026

Affected gates and lines

- Earth 25.2 — this line today. Continues 25–51 Initiation on hanging 51.1. 17–62 has dropped.
- Mercury 30.6 Enforcement, Pluto 41.2 Caution, Uranus 20.6 Wisdom, Neptune 25.6 — still 30–41, 10–20, and 25–51.

The day

17–62 is gone. No new hanging bridge arrives. Tuesday is 25–51, 30–41, and 10–20 at familiar volume. One lived sentence if the wave agrees and one person is affected. Otherwise nothing goes out. 30.6 will try to make the leftover feeling into a rule for the week. The rule waits. The grab is initiating to replace the opinion channel that just dropped. Wait the wave. One inform. Stop. Single Definition does not need a room to sequence the day.

Wednesday, September 23, 2026

Affected gates and lines

- Moon 30.2 Pragmatism — today only (Wednesday, September 23). Second body on 30–41 Recognition with Mercury 30.6 and Pluto 41.2. Do not spend energy on extra feelings.
- Earth 25.3 — this line today. Continues 25–51 Initiation.
- Uranus 20.6 Wisdom — still 10–20 Awakening on hanging 10.2.

The day

Moon 30.2 sits on the same 30–41 that has been here all window. Do not write a second feeling page. Use the old line. 25–51 still wants first place. First place after the wave and the inform. 10–20 still edits speech to what can be lived. Extra feeling plus Initiation is the day's grab: a shock sent to discharge the doubled 30. Wait the wave. One inform if someone is actually affected. Stop. Then withdraw.

Thursday, September 24, 2026

Affected gates and lines

- Moon 37.3 Evenhandedness — today only (Thursday, September 24). Lights natal 37–40 Community from Personality Sun 37.2 and Personality Mercury 37.6. Appropriate behaviour in the bond. This is authority's home channel on the Cross of Planning.
- South Node 32.2 — September 24 through September 25 in this window. Lights natal 32–54 Transformation from Personality Neptune 32.1 and Design Venus 32.3. Drive on the existing path.
- Earth 25.4 — this line today. Continues 25–51 Initiation.
- Mercury 30.6, Pluto 41.2, Uranus 20.6, Neptune 25.6 — still 30–41, 10–20, and 25–51.

The day

Moon 37.3 lights natal 37–40. Community and the family bargain are louder. The wave on that bond is the decision. Write one message about the shared matter. It does not go out until the wave has moved. Inform that one person. Stop. SN in 32 lights natal 32–54 from the 32 end. Use that drive on the task already open, not on a new plan announced through 37–40. 25–51 and 30–41 stay off the community message. Two subjects in one

inform is the grab. Wait the wave. One inform. Stop. Limited contact keeps Evenhandedness from becoming a survey.

Friday, September 25, 2026

Affected gates and lines

- South Node 32.3 — continues lighting natal 32–54 Transformation.
- Earth 25.5 — this line today. Continues 25–51 Initiation on hanging 51.1 through the window.
- Mercury 30.6 Enforcement and Pluto 41.2 Caution — still 30–41 Recognition through September 29 / December 13.
- Uranus 20.6 Wisdom — still 10–20 Awakening through October 27.
- Neptune 25.6 — still the first body on 25–51.

The day

Moon 37.3 has left. Natal 37–40 returns to ordinary volume. Friday closes the window on lit 32–54, complete 25–51, complete 30–41, and complete 10–20. Repeat the task that already had a wave. Inform the one person who shares the result. Do not open next week through Enforcement. Do not go first through 25–51 to end the week cleanly. The grab is a closing initiation no one was told about. Wait the wave. One inform. Stop. The 2nd line can close the door. The sky does not grant a new Cross.

Close

There is no split to join. The sky does not grant a new Cross. Strategy and Authority run every day: wait the wave, one inform, stop. Limited contact is the correct use of this design.
